(ii) FUN GAMES & INTRODUCTORY ACTIVITIES

(i) Square Dance

Tony Waiters 'Coaching 6-8 year olds' – p.18

- This is played in the 6yd goal area
- Each player has a ball (if possible)
- The players move the ball around the goal area with their feet
- Coaching Points
- Keep ball close (touch, touch, etc)
- Use both feet (left foot only, right foot only, bottom of the foot only)
- Stop the ball with the bottom of the foot
- Stop and turn using the bottom of the foot

(ii) Space Invaders

- The game is played in the 6yd goal area
- All players have soccer balls and dribble around the grid
- A few parents are space invaders; they try to kick the balls of the players out of the grid
 - No ball can be kicked out if a player stops the ball with the bottom of the foot as a space invader approaches
 - No ball can be kicked out if a player stops the ball and turns as a space invader approaches

(iii) Anatomy

- The game is played in the 6yd goal area
- All players have soccer balls and dribble around the grid
- When the coach calls out a body part, each player stops the ball with the sole of the foot and touches that body part on the top of the soccer ball
- *Combination examples: right knee & left elbow; left knee and chin; hide ball*

U8 PRACTICE #6

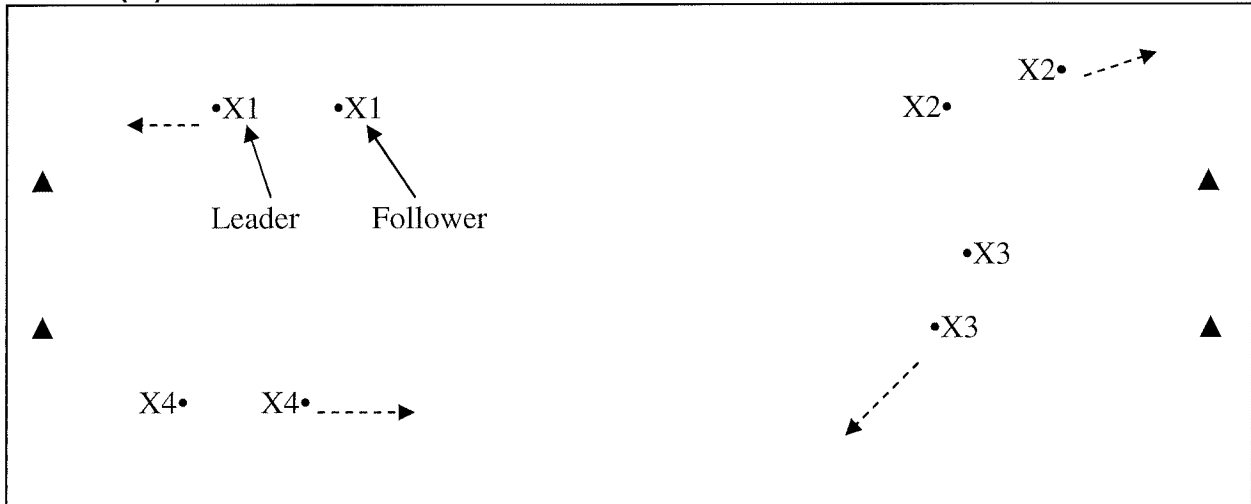

(iv) Musical Soccer Balls

- The game is played in the 6yd goal area (can be played to music)
- All players have soccer balls and dribble around the grid
- When the coach shouts “change”, a player must leave their ball and find another to dribble
- After a while, a couple of parents pick up a ball each when the coach calls out “change”
- Players without a ball must leave the grid
- Play the game until there are just two or four players in the grid

(v) Survivor / Pirates

- This game is played in the 6yd goal area
- All players have soccer balls and dribble around the grid
- Players try to kick each others balls out of the grid
- Once a player has their ball kicked out of the grid, the player can retrieve the ball and re-join the others in the 6yd goal area

(vi) Shadow Soccer

- This game is played in the whole mini-soccer field
- All the players have a ball
- Partner each player with another player
- One of the players is the leader and the partner is the follower
- The leader runs around the grid, the follower attempts to follow while dribbling with the ball
- Turn – when the coach calls out ‘turn’, both the leader and the follower turn 180 degrees, and reverse roles
- Dribbling – right foot only, left foot only, insides of feet only, outsides of feet only

U8 PRACTICE #6

(iv) Small-Sided Soccer Games (i) Mini-Soccer

Tony Waiters 'Coaching 6-8 year olds' – p.10-13

- Game of 4v4 for U8

Restarts

- Goal kick may be taken from anywhere within the 6yd goal area
- Kick-off is taken from the center spot and the players of the opposing team must be in their 6yd goal area
- Corner kick – the opposing players must be 5yds away
- Free kick is given for handling, pushing, shoving, tripping, etc. The opposing players must be 5yds away. A goal may not be scored directly from a free kick. The ball must be passed to another player first.
- No penalties – a free kick for an infringement in the 6yd goal area results in the ball being placed on the 6yd line closest to where the incident took place
- Kick-in if the ball goes out over the sideline
 - Stop & correct a player if the player does something wrong
 - Substitutions – every 2-3 minutes a time-out is called and substitutions made
 - Sweeper-keeper can use hands in goal area only
 - Rotate the sweeper-keeper position amongst all the players equally
 - Let the kids play – “let the game be the teacher”

U8 PRACTICE #6

(ii) Change Soccer

Tony Waiters 'Coaching 6-8 year olds' – p.27

- Widen the goals
- Goal may only be scored below knee height
- Parents spread themselves around the perimeter of the field to act as ball retrievers and suppliers
- A couple of parents make sure that the players on the goal-line do not leave until all teammates are back

(iii) Numbers Game

Tony Waiters 'Coaching 6-8 year olds' – p.25

- Give each player on a team a number
- Call out one number to begin with, and then later on call out two numbers
- Attackers go for goal; Defenders stay on their feet
- 15/20 second shifts
- Widen the goals to give shooters some success
- Goal may only be scored if the ball goes into the goal below knee height
- Parents position themselves around the perimeter of the field as ball retrievers
- A couple of parents are behind the goal and remind the players of their numbers; at the end of the season have the children play against parents.

U8 PRACTICE #6

(v) Mack I

Tony Waiters 'Coaching 6-8 year olds' – p.21

- Same as Mack II except that the player has to shoot first time, i.e. without a first touch to control the ball

(vi) Accuracy Passing

- Players are in pairs and are about 4-10yds apart
- There are 2 cones placed about 3-5ft apart in the middle between the pair of players
- Each player has to pass the ball through the cones to his partner to score a goal
- Competition – count how many goals a pair scores in 30-60 seconds
- **Coaching Points**
 - Use of the inside of the foot; motion of the leg is like a hockey stick
 - As players get success, narrow the goal or increase distance of players from the goal
- **Progression**
 - 3 touch passing – stop the ball, push it forward a foot, and then pass it to the partner
 - 2 touch passing – stop the ball and then pass it
 - 1 touch passing – pass the ball with the first touch
- **Parents** – use as goalposts and counters of the number of goals
